At Little Treasures no order is too small or large; we will fill any size order!

LITTLE TREASURES Holiday Boutiques are totally risk free and they are a great way to raise money and/or provide a service while creating a learning experience. The children will learn:

BUDGETING: "I have \$5.00 and I need to buy 7 presents"....with Little Treasures they can do that.

INDEPENDENCE: Making selections and purchases without the help and guidance of mom and dad.

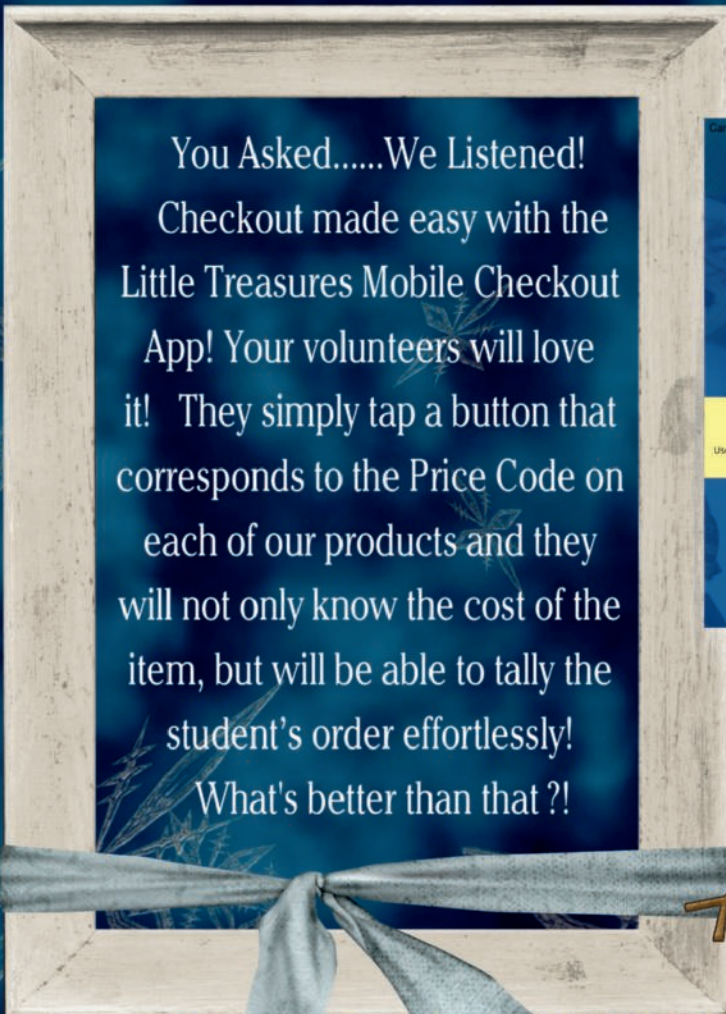

GENEROSITY: Parting with their dollars to make someone else happy.

SELF CONTROL: Having \$10.00 to spend and using \$9.00 for gifts and \$1.00 for themselves.

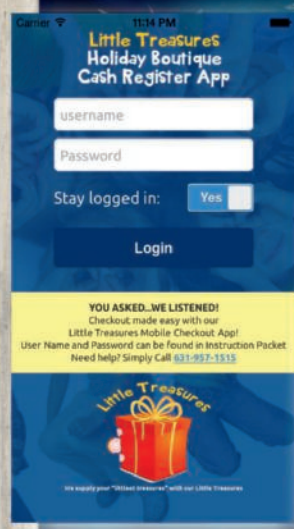

SECURITY: Ability to shop in a safe, secure and comfortable environment.

SOCIAL SKILLS: Ability to interact with "salespeople" and make their wishes and needs known. Sharing the experience with peers, and comparing their treasures.

PRIDE: The feeling of great satisfaction knowing they did it all by themselves.
